Check out my review of Above N' Beyond by Tee O' Fallon. This is Book 7 and the thrilling conclusion of the Federal K-9 series!

<https://www.goodreads.com/review/show/5874924201>

(This review is a product of my own, personal opinion and is not a paid review.)

If you like these tropes, you'll love this series:

Other books in this series include:

Book 1: Lock 'N' Load

Book 2: Armed 'N' Ready (my personal fav)

Book 3: Dark 'N' Deadly

Book 4: Trap 'N' Trace

Book 5: Serve 'N' Protect

Book 6: Honor 'N' Duty

Book 7: Above 'N' Beyond

This is a COMPLETE series and each book can be read as a standalone but they do all interconnect, which I absolutely LOVE!

You can find the rest of Tee's books at her website: <https://teeofallon.com/series/>

(This is an unpaid review).

Happy Reading!
