K-9 Special Ops & All the Emotions! Ultimate Justice by Tee O'Fallon.

Oct 4, 2024

By bluedandelionpress

in Book Reviews

Are you a romance reader who loves strong, protective heroes and headstrong heroines? If you enjoy the alpha/protector trope with action, mystery, and steamy romance, I have the perfect author for you to check out and her new book, *Ultimate Justice*!

After twenty-three years as a federal agent, Tee O'Fallon joined her professional background with a love of romance, and BOOM, some of my favorite books were born! Tee has three series currently on the market and I honestly loved them all.

Why does this matter now of all times? Especially since I could talk about these books all day? Well, that's because the thrilling conclusion to Tee O'Fallon's K-9 Special Ops trilogy comes out on October 22nd and I got an advanced reader copy (ARC) and I'm here to share my review with you! Get excited

Ultimate Justice by Tee O'Fallon – Official Release Date: October 22, 2024 – Another 5-Star Win!

“Amazing, trained K-9s, backstories that will bring tears to your eyes, a headstrong heroine, and a handsome, determined protector: Tee O’Fallon *delivered* with Ultimate Justice! The final book in the K-9 Special Ops series brought all the drama and heat that long-time readers of O’Fallon know and love. Ultimate Justice is a beautiful and heart-wrenching conclusion to the trilogy, so make sure to have a box of tissues nearby! We’ve been waiting for Evan’s story since Book 1, and now it is finally his turn.

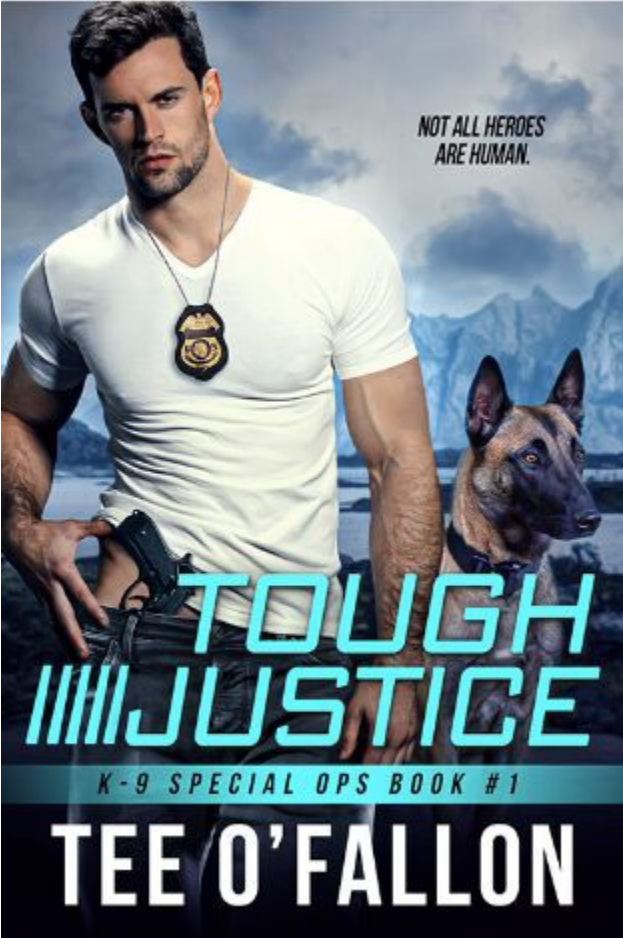

Both haunted by their pasts, Evan and Marlie are stuck in a fast-paced race against time, and everything hinges upon their working together or risk being swallowed by the pain they couldn’t outrun.

A fitting ending to a wonderful trilogy, this will definitely be on my “re-read” list!

Not only does Tee O’Fallon write beautifully complex characters, but she also writes incredibly talented K-9s that are every bit as integral to the story as the human characters. So if you’re looking for heart-pounding adventure, swoon-worthy romance, and a storyline that will gather all of the broken pieces and glue them back together, Ultimate Justice will be ready for you on October 22nd!”

In the meantime, Tee O’Fallon has plenty of books to keep you busy! You can start with Books 1 and 2 of the K-9 Special Ops trilogy:

Tough Justice and Burning Justice

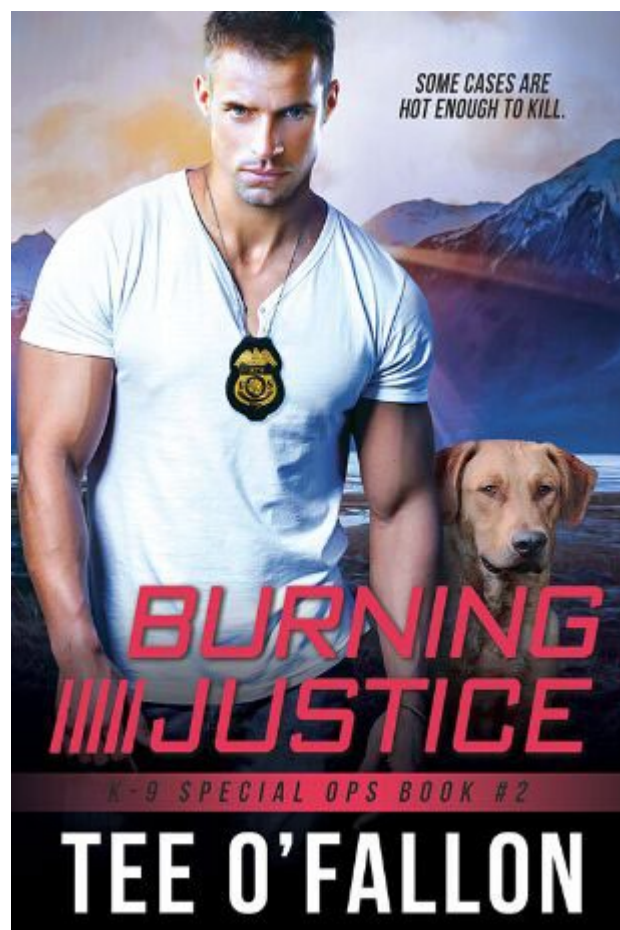

NOT ALL HEROES
ARE HUMAN.

TOUGH JUSTICE

K-9 SPECIAL OPS BOOK #1

TEE O'FALLON

SOME CASES ARE
HOT ENOUGH TO KILL.

BURNING INJUSTICE

K-9 SPECIAL OPS BOOK #2

TEE O'FALLON

Check out Tee O'Fallon's series on her website and you can pre-order your copy of Ultimate Justice on Amazon or wherever you get your books!

Happy Reading!

(PS: Keep reading for an important Trigger Warning)

Continue for the Trigger Warning:

If you're still here, I'm going to assume that you are interested in seeing the trigger warning I mentioned. We all have things that we are sensitive to, and rightfully so. No one can tell us how to feel about certain things, and I am a firm believer that sometimes a trigger warning is necessary to protect our mental health.

That being said, *if you are sensitive to content regarding **kidnapping** or **child loss**, I would recommend exercising caution before reading this book.* These are both themes that are

addressed throughout the book in varying lengths as these topics are heavily involved in the development of the characters.
