Welcome back to another Friday Blog Post! This week, the blog belongs to new author S.E. Fisher. S.E. Fisher is a mid-Missouri author who writes romance and romantasy, and her brand new book officially released on E-Book TODAY! *Snaps for S.E.*

So, without further ado, This Book Beauty is letting S.E. Fisher hijack the blog for the day to discuss her new book, first release, and what readers are saying so far.

S.E. Fisher's debut romance novel takes place in the small town of Shiloh Hills, Missouri, and features tropes like second chances, forbidden love, returning home, one bed, and forced proximity, all in a fade-to-black, 316-page novel of redemption, love lost, and love found.

Read the back blurb below:

The girl next door. The town drunk's son. Now that fate's reunited them, will they defy the odds and fight to stay together?

Skye Wellington fears wanting more. Wounded that the love of her life left her behind, the mayor's daughter never intended on staying in her small hometown her entire life. But the content twenty-six-year-old struggles with her unresolved heartache when that boy returns a strong, confident man.

Matthew "Rabble" Raden knows he's not enough. Promising himself that he's returning to Shiloh Hills only for work, the ex-soldier is shocked when he runs into the blue-eyed beauty who still haunts his dreams. When he learns the devoted kindergarten teacher didn't follow her parents' plans, he realizes how much he has messed up and will do anything to earn her trust.

Despite their undeniable chemistry, Skye worries her childhood sweetheart will once again leave her in pieces. And even though Rabble vows to repair what he broke, he wrestles with the knowledge that he doesn't deserve a second chance.

Can they repair the past and build a new future together?

The Fence Between Us is the heart-warming first standalone book in the Shiloh Hills Small Town Romance series. If you like friends to lovers, found family, and the perfect mix of sweet and steamy, then you'll love S.E. Fisher's engaging tale.

The Fence Between Us is book one of a planned four-book series. An additional novelette is coming out soon. Each book is a standalone, interconnected throughout the series as characters discover what it means to love and be loved in return.

So, why should you check out this indie author's debut novel? Well, scroll down to see what readers are saying ALREADY!

Rabble, a nobody from the wrong side of town. Skye, the mayors daughter and too good for him. Friends since childhood, dreams were shared and plans were made where love blossomed. One day everything shattered along with hearts. Years later, circumstances throw them together again. A sweet love story about love intertwined with political aspirations of those who are supposed to love unconditionally.”

Sharli5 OUT OF 5 STARS

The Fence Between Us will take you on a wild ride of love, redemption, and a dash of thriller. If you are a fan of how Nora Roberts weaves romance and thriller in her novels, you will enjoy this book. Be ready for an ultimate good vs evil showdown in small town politics and two people that realize their hearts belong together no matter the circumstances.

Sabrina5 OUT OF 5 STARS

A Beautifully Layered Love Story That Transcends Barriers

From the very first page, this story captured my heart. What begins as a childhood friendship—two souls separated by a simple fence—quickly reveals itself as a profound commentary on the invisible lines drawn by wealth, status, and family expectation.

The reunion of the main characters is equal parts heartwarming and heartbreaking. Their chemistry feels authentic, grounded in a shared past but tested by a complex present. Just when it seems love might triumph, the shadows of manipulation add depth and urgency.

One of the aspects I appreciated most was the author's ability to explore intimacy with

grace. The romantic moments are emotionally charged, without ever relying on graphic detail—something that takes skill and subtlety.

This book is a moving exploration of connection, sacrifice, and the courage it takes to choose love in the face of expectation. A must-read for anyone who enjoys character-driven romance with emotional depth and elegant storytelling.
